The series is also available in Afrikaans, isiXhosa, Sepedi and Setswana Home Languages, but is not approved.

Spot On Readers

Spot On is spot on!

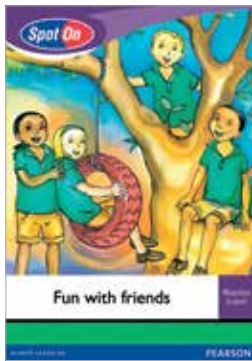

Spot On improves results, makes learning enjoyable, makes teaching a pleasure and is easy to use. The **Spot On** readers complement the popular **Spot On** textbook series.

The **Spot On** Readers have been developed by a team of language specialists and teachers. They feature delightful South African stories, a variety of interesting characters and beautiful illustrations to get learners excited about reading. The readers use sight words, phonics and high-frequency words to ensure learners gain the reading skills required in the Foundation Phase quickly and easily.

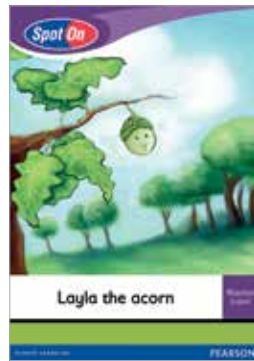

All titles are available as Big Books for shared reading as well as small books for independent reading. You can also select a reader pack and big book pack per grade.

Pearson South Africa

At Pearson, home of Maskew Miller Longman and Heinemann, we're here to help people make progress in their lives through learning.

We work with teachers and learners to create and continually improve our wide range of products and services. We create content in all 11 official languages for learners from pre-school to Grade 12. Whether it's our trusted CAPS-approved textbooks, digital and supplementary resources, or professional development courses, we put the learner at the heart of everything we do.

Every day all over South Africa, our products and services help learning flourish – because wherever learning flourishes, so do people.
