Heinemann Motheo
Creative and Performing Arts Standard 3

This exciting Heinemann Motheo Creative and Performing Arts course aims to develop pupils’ sense of identity and positive self-concept through imaginative, creative activities that develop performance skills. Activities are accessible to all ability levels.

The highlights of this series are:

• Personal safety and emergent issues such as conservation and HIV/AIDS are emphasised, as required by the curriculum.
• The activities integrate physical education, movement, mime, drama, business education, home economics, and art and design, so that life, business and creative skills can be developed in conjunction.
• Stimulating questions encourage reading for meaning.

Longman Top Class
Creative and Performing Arts Standard 1, 2, 3 and 4

Longman Top Class Creative and Performing Arts has been especially prepared for the new syllabus. Through this series, skills in crafts, sculpture, art and design are widened, while body and mind are developed through music, sport, gymnastics, drama and dance.

Teachers and pupils alike will appreciate the following features:

• Practical arts and crafts are integrated with home economics, business skills and physical education, to provide an all-round learning experience.
• Activities and projects encourage the use of everyday and recycled materials – a skill which can be broadened into the pupils’ communities.
• Health and safety as well as emotional literacy are emphasised, to develop well-rounded individuals.
• The content and concepts in this series engage with both traditional and modern Botswana culture, situations and themes.
The Heinemann Motheo Cultural Studies course (Core approved Standards 1–4) aims to make pupils self-aware, positive, and empathetic citizens.

The highlights of this series are:

- Stimulating and thought-provoking activities that are set in familiar situations and draw on real-life experiences
- Concept and skills development that prepares pupils to participate actively in the community and in national life
- A hands-on approach that enables pupils to learn through activities and projects.

Heinemann Motheo Cultural Studies Standard 1, 2, 3 and 4

Longman Top Class Cultural Studies Standard 1, 2, 3 and 4

Longman Top Class Cultural Studies thoughtfully explores the interaction of people with the physical, social, economic and political environments of Botswana. This series promotes empathy and tolerance as encouraged by Vision 2016.

Teachers and pupils alike will appreciate the following features:

- Motivating and engaging activities allow pupils to enjoy themselves while developing the required knowledge and skills.
- Real-life scenarios, tables and charts allow pupils to think through real-life situations using a variety of learning approaches.
- The clear transmission of positive values around people, local traditions and the environment nurtures a positive self-concept and national identity.
This new course creates a solid foundation in the first critical year of English learning. It systematically builds up the key skills of listening, speaking, reading, writing, and language use. In addition, it promotes critical thinking and develops visual literacy.

The course makes it:
• easy to engage young pupils with fun content, including action rhymes, songs and games
• easy to attract pupils’ attention due to the exceptional art and design
• easy to teach
• easy to succeed!

Longman Easy to Learn
English Standard 1

Longman Easy to Learn English Standard 1

Longman Top Class
English Standard 1, 2, 3 and 4

Longman Top Class English has been especially prepared to meet the requirements of the new syllabus. Exciting topics introduce essential vocabulary, make grammar easy, and develop the skills of reading, writing, listening and speaking English.

The special features of this series are:
• Word power boxes contribute to vocabulary development.
• Summaries and self-test questions make practice, revision and assessment effective.
• Clear and logical grammar support are provided.
This course presents science through a practical, activity-oriented approach. Pupils investigate the natural world to develop the scientific skills of enquiry, observation and critical thinking.

The highlights of the series are:
- Theory and science concepts are underpinned by hands-on practical work.
- Stimulating investigations are carried out using materials that are available locally.
- Scientific concepts are developed clearly and simply, supported by diagrams and illustrations.
- Scientific terms are defined in a glossary.

Longman Environmental Science makes learning relevant and enjoyable, linking content and skills to pupils’ own lives, as well as to wider conservation, health and safety issues.

Teachers and pupils alike will appreciate the following features:
- Pupils’ grasp of new concepts and terminology is carefully built up in the text, and terms are explained in a glossary.
- Summaries, revision and projects assist with planning for successful learning and teaching.
- Colourful and accurate illustrations and diagrams aid understanding.

Heinemann Motheo Environmental Science Standard 1, 2 and 4

This course presents science through a practical, activity-oriented approach. Pupils investigate the natural world to develop the scientific skills of enquiry, observation and critical thinking.

The highlights of the series are:
- Theory and science concepts are underpinned by hands-on practical work.
- Stimulating investigations are carried out using materials that are available locally.
- Scientific concepts are developed clearly and simply, supported by diagrams and illustrations.
- Scientific terms are defined in a glossary.

Longman Top Class Environmental Science Standard 2

The Longman Top Class Environmental Science Standard 2 Pupil’s Book focuses on pupils discovering for themselves and building their understanding of the living and non-living world around them. The course supports pupils in caring about themselves and their world, and encourages them to apply concepts and skills at home and in the community.

This is done through the following features:
- Hands-on activities, such as recording the weather, and tabulating and sorting real-life content, make concepts real.
- Creative projects foster an appreciation of the environment.
- Activity-oriented health and safety content are emphasised.
Heinemann Motheo
Guidance and Counselling Standard 2 and 4

This effective and rewarding series addresses personal development, education, and social and career guidance. The material aims to smooth the transition between childhood and adolescence, and stresses self-awareness, study skills and examination techniques.

The highlights of this series are:
• The text explains the various guidance and counselling concepts plainly and clearly.
• Many opportunities are provided for the practical application of knowledge and skills.
• Particular focus is placed on decision making, HIV/AIDS care and support, and science-based careers.

Longman Top Class
Guidance and Counselling Standard 2 and 4

Through this worthwhile course, pupils will explore their own personalities, strengths and aptitudes, and will become skilled problem-solvers — all skills they will find invaluable in the real world.

The carefully developed features include:
• The lesson content is presented sensitively.
• Case studies provide real-life perspectives and stimulate discussion.
• The hands-on approach applies knowledge and skills practically.

Heinemann Skills for Life
Botswana’s Window of Hope Standard 3 and 4

Heinemann Skills for Life: Botswana’s Window of Hope is an innovative and comprehensive HIV/AIDS education course. The material was developed by the BOTUSA project under the supervision of the Ministry of Curriculum Development, Guidance and Counselling Divisions, and the US Centre for Disease Control in Botswana.

The highlights of this series are:
• The positive and constructive approach will allow pupils to make real contributions in this arena.
• Detailed background notes, objectives, definitions, teaching methods and lesson guides develop a thorough grasp of the issues and what can be done.
• Pupils’ worksheets contribute to practical skills development and assist with assessment.
Heinemann Motheo Mathematics Standard 1, 2, and 4

Heinemann Motheo Mathematics is part of a brand new lower primary school course, especially written for the new syllabus.

Unique features include:
- Mathematical language and concepts are carefully developed – a critical feature of understanding Mathematics.
- Activities mirror real-life situations, making the content accessible and appealing to pupils.
- Enquiry, critical thinking and a problem-solving approach to learning mathematics are emphasised.

Longman Top Class Mathematics Standard 2, 3 and 4

Longman Top Class Mathematics is a quality educational resource suitable for pupils throughout Botswana. The Top Class series is based on a combination of extensive, practical research carried out in schools, and the latest academic research into teaching and learning mathematics.

The Pupil’s Books features are:
- Activities are learner-centred and fun.
- Accessible language contributes to real understanding.
- Support activities and checklists are provided in the Teacher’s Guides.

Longman Mathematics for Botswana Standard 1 and 2

A good grasp of maths is critical to a modern education. Longman Mathematics offers plenty of practical activities, attractively presented.

The advantages of this series are:
- Engaging and fun exercises consolidate skills.
- A solid foundation is laid down on which pupils will successfully build future mathematical skills.
- Interesting projects, assessment activities and revision features allow for effective learning and assessment.

**Longman**

**Thanodi ya Thaego ya Puo**

This illustrated dictionary for Standards 1 – 4 is no ordinary dictionary. It is designed to aid both home language and additional Setswana learners.

Learners will dramatically improve their vocabulary, spelling reading and understanding with the use of *Thanodi ya Thaego ya Puo*.

**Key features are:**
- Familiar themes such as *My Family*, *My Body*, *Our Home* and *In the Classroom* makes learning new words fun and relevant.
- Colourful illustrations ensures pupils remain engaged and helps understanding.
- Each word has a definition and an example sentence that helps pupils to practice their Setswana.

**Longman**

**Illustrated School Dictionary Standard 7**

This key reference contains 3 500 carefully selected entries, and has been tested comprehensively in a range of rural and urban classrooms.

**Key features are:**
- 5 000 example sentences are provided, using the word in context.
- Colloquial Southern African words are explained clearly.

**Longman**

**Primary Dictionary Standard 4**

The Longman Primary Dictionary has been especially researched and developed for primary school pupils in Africa. It provides all the vocabulary pupils at this level will need, including 8 000 entries from school subjects such as maths, science and geography.

**Highlights are:**
- Definitions are written using only words children at this level will know.
- Many example sentences show use in context.
- Grammar is explained simply, and guidance on pronunciation is given.
- More than 250 black-and-white plus 16 full-colour pages of illustrations enliven the text and contribute to understanding.
Standard 1
More content, more colour and improved durability!

This trusted literacy programme now offers these new and improved features:

- Full colour Learner’s Book replaces the previous Activity book
- Learner’s Sentence Maker includes more key words and inside panels laminated for durability
- Two sets of full colour Readers (Blue and Red) replace the previous 14 one-colour books
- Teacher’s Sentence Maker strengthened and supplied fully assembled
- Wordstores now vinyl-strengthened nylon with words printed on pockets
- Conversation Posters now full colour.

Breakthrough to Literacy has been successfully used in many African countries for 25 years, including Botswana, to teach literacy in the mother tongue. Initial mother tongue literacy makes it easier for young learners to acquire and study in English.
This course offers a practical approach to acquiring the skills, knowledge and understanding needed for agriculture at this level. The content is presented in a way that develops an understanding and appreciation of Agriculture as a means of economic empowerment, while promoting awareness about HIV/AIDS and its effect on agricultural productivity.

Features of this book include:

- Experiments enable pupils to observe and verify phenomena.
- “Test yourself” sections follow each topic.
- Agriculture is explored as a viable means to economic empowerment.

Longman Top Class Agriculture Standard 5, 6 and 7

Longman Top Class Agriculture is a hands-on course that develops useful skills such as real-life soil analysis and crop and animal production.

The highlights of this series are:

- Projects encourage independent work and allow the application of concepts learned.
- Summaries help pupils to revise on their own, making them independent learners.
- Self-test questions at the end of each topic allow for practice, revision and self-assessment.
- The conservation of resources such as soil is emphasised.

Heinemann Motheo

Heinemann Motheo PSLE made easy: Agriculture Standard 7

All you need for PSLE success – a one-stop PSLE revision text for Standard 7!

Heinemann Motheo
Social Studies Standard 5, 6 and 7

Use Heinemann Motheo Social Studies to prepare pupils to participate actively in the community and in national life as encouraged by Vision 2016.

Highlights of this series include:
• Stimulating activities are set in familiar situations and draw on real-life experiences, so that learning feels more real.
• ‘Did you know?’ boxes give greater insight into concepts and content.
• ‘Pass your exams’ sections help upper primary pupils prepare for examinations.

Longman Top Class
Social Studies Standard 6

In Longman Top Class Social Studies, pupils explore the physical, economic, political, social and cultural environments of Botswana, as well as the issue of citizenship.

Advantages of this book are:
• Real-life examples and case studies dealing with emerging issues such as HIV/AIDS and the environment underpin the social concepts.
• Traditional social structures are supported, while the notion of social change is introduced.
• A balanced and accepting approach to history is employed, using plenty of pupil discussion about topical issues.
• It supports the principles of Vision 2016.

Heinemann Motheo

Longman
The Student Companion
Standards 5 – 7 Pupil's Book

Longman
Word by Word Primary Phonics Picture Dictionary
Standards 5 – 7
This dictionary is an essential learning resource for every upper primary pupil. Dictionary work is an appropriate and early introduction to research skills needed across the curriculum, and is vital for improving vocabulary.

Advantages of this dictionary include:
• More than 20 000 words are defined.
• Clear and simple definitions using accessible language make meanings accessible to all.
• This dictionary has been Core approved for Standards 5, 6 and 7.

The Longman Francolin Illustrated School Dictionary is an indispensable tool for non-mother tongue English learners.

The special features of this dictionary are:
• 3 500 carefully selected words are defined.
• 5 000 example sentences illustrate the use of each word in context.
• The dictionary has been tested comprehensively in a range of rural and urban classrooms.
• Colloquial Southern African words are explained simply.
Standards 1 to 7

Stars of Africa is an exciting, innovative reading series for primary school children in Standards 1 to 7.

Choose from a magnificent range of Story and Information Books that will build confidence, widen knowledge and increase reading pleasure. Created by authors and artists from across Africa, Stars of Africa expose readers to the rich tapestry of Africa, its people and its land.

Stars of Africa books are graded into four levels of reading ability: Starting, Practising, Improving and Independence. Within each level, the books are further graded into three sub-levels – A, B and C – to assist with gradual acquisition of language and concepts.

The Stars of Africa series offers:

- **Story Books**: beautifully illustrated in full colour and set in urban and rural environments in countries all over Africa.
- **Information Books**: introduce concepts and contents across the curriculum and are illustrated to stimulate reading and learning.
- **Big Books**: available for the Starting and Practising levels in both Story and Information Books that teachers can use with the whole class.
- **Teacher’s Guides**: show teachers how to use the Stars of Africa readers to cover all the requirements of the curriculum.
- **Classroom Libraries**: offer multiple sets of the readers, copies of the Big Books and one copy of Reading in the Primary School.

Support for Teachers

Stars of Africa Reading in the Primary School up to Standard 7
