# CERTIFICATE for Junior Secondary

New from Longman

- Certificate Science for Junior Secondary, Form 1
- Certificate Mathematics for Junior Secondary, Form 1

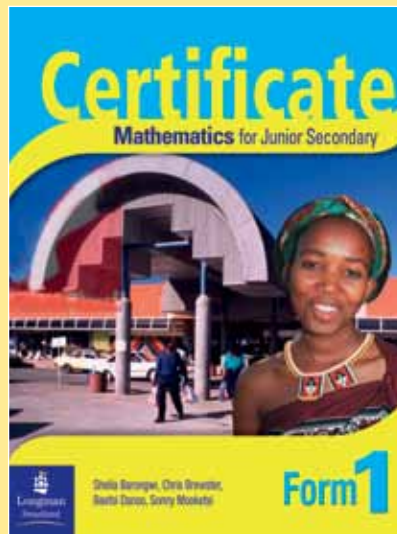

This dynamic series follows the revised junior certificate syllabus and comprises a Student's Book and a Teacher's Guide. Besides covering the essential concepts and principles of the formal curriculum, this new course emphasises science and maths in the real world and makes learners active participants in their own learning.

## Key features of the Certificate series are:

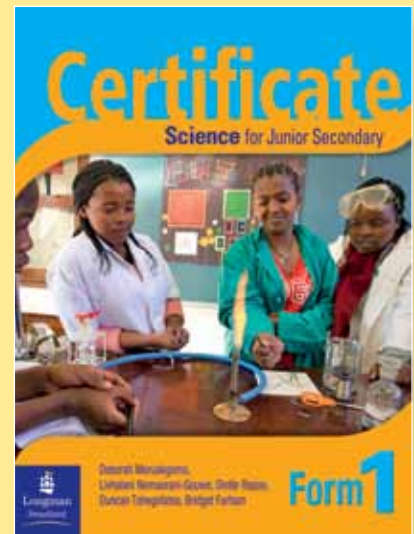

- Simple, direct language that is easy to understand
- Ample visual material that assists in the learning process
- Revision and assessment exercises that give adequate opportunities for further application
- Comprehensive definitions and discussion of key terms.

## The Teacher's Guides provide:

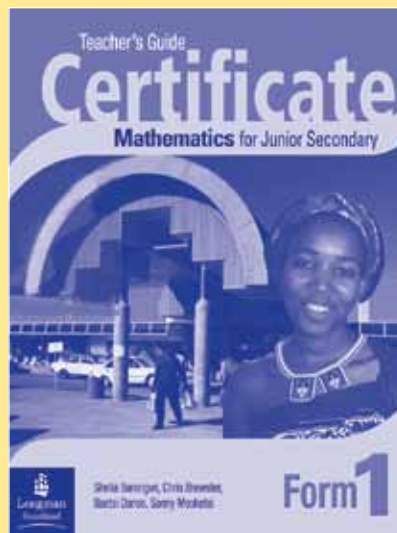

- Useful teaching tips and additional information for teachers
- Answers to exercises and assessment questions.
