About Pearson

At Pearson, home of Maskew Miller Longman and Heinemann, we're here to help people make progress in their lives through learning.

We believe that quality education is the key to shaping a better tomorrow. By enabling better learning and helping to remove barriers to a quality education, we empower learners to build a better life for themselves and those around them.

That's why, at Pearson, we provide trusted CAPS-approved textbooks, digital and supplementary resources, services and support, and professional development courses, to make learning more engaging, effective and accessible.

We create content in all 11 official languages and have a footprint in all 9 provinces. Our unique insight and local expertise comes from our long

history of working closely with the Department of Education, teachers, learners, researchers, authors and thought leaders.

We have a clear vision – to use learning to empower human progress; from reading your first book as a child to starting your first job, continually learning to improve your life.

We are committed to be your trusted partner in education to shape the future of learning and make a positive impact.

Every day all over South Africa, our products and services help learning flourish. Because wherever learning flourishes, so do people.

Pearson South Africa is a B-BBEE Level 2 contributor.

Our commitment to learning

The challenge for education is not just about providing access, but also ensuring progress.

For Pearson, providing great products and services is just the beginning. It's important for us to know that they are working. Everything we do is driven by its measurable impact on learning outcomes.

We call this efficacy.

By focusing on the efficacy of our products and services, we can see exactly how effective they are at producing successful outcomes for learners. This involves continually measuring, assessing, and improving everything we do and putting the learner at the heart of our learning solutions.

We work with educators and learners to continually improve our products and services, ensuring they have the most positive impact on learning. In this way, we're able to deliver better education to more people – whatever, whenever, wherever, and however they choose.

Our strategic partners

Our dedication to creating positive social impact shapes everything we do, from our products and strategies to the way we engage with our millions of learners, partners, and communities around the world.

Sphere Holdings (Pty) Ltd

Sphere is committed to positioning Pearson South Africa, not just as an educational supplier, but to partner with government as a responsible citizen and leverage Pearson's capabilities to address some of these seemingly intractable challenges in the country; literacy and unemployment.

We are fortunate to have found B-BBEE partners who share our passion and commitment to education and will enable us to continue to positively impact many thousands of learners across South Africa.

Sphere Holdings is excited to be part of an enterprise whose key focus is on improving knowledge and education in South Africa. The relationship with Pearson South Africa aligns this imperative with their passion for delivering meaningful interventions for change.

MET is a SACE accredited provider and works to support the Department of Basic Education and its policies by focusing on building capacity within the education system to enable and support the meaningful implementation of the Department of Basic Education's learning-centred, participatory, problem-solving approach to teaching and learning.

In the past two years, the team's work, led by Trust Director Dr Veronique Genniker and Research and Development Manager Dr Nadeen Moolla, has received three global awards, and are being recognised locally and internationally. The Department of Basic Education issued a letter acknowledging MET as a valuable partner and endorsed the importance of its work and valuable assistance in providing quality professional development and support to deep rural schools.

Marang Education Trust

We work to identify and remove barriers to education for those most in need to enable learners to reach their full potential.

Through research, engagement and development at the coalface of education, the school and the classroom, the Marang Education Trust (MET) in partnership with Pearson South Africa, has focused on best practice as an approach to improving the quality of teaching, learning and school management in South Africa.

“

We look forward to working with Pearson to adapt their unparalleled global education expertise, content and services to meet the needs of South African learners, teachers, education departments and schools.

Grade 1 teacher from a primary school
in KwaZulu-Natal

Vuma is a carefully levelled, South African reading instruction programme that will inspire a love of reading from an early age. The programme will enable teachers to assess, monitor and support reading and comprehension progress easily and effectively.

The Vuma Reading Instruction Programme has a number of different resources that work together to offer a comprehensive reading solution and is available in the following languages:

English FAL

Afrikaans HL

isiXhosa HL

isiZulu HL

Sepedi HL

Vuma levels

The number of readers at each level gives learners enough practice to consolidate what they have learnt before moving to the next level.

Each story has been planned and written in the language in which it is published so that the natural patterns and rich expression inherent in each language is captured.

Level 1: 1 word or 2-word phrases per page; strong visual cues aid understanding. Lots of repetition.

Level 2: 1-2 phrases/short sentences per page; strong visual cues aid understanding. Introduces question sentence structure. Lots of repetition.

Level 3: 1-2 longer phrases or sentences per page; strong visual cues aid understanding. Has question sentences. Lots of repetition.

Level 4: 1-2 varied phrases/sentences per page; strong visual cues aid understanding. Has question sentences. Lots of repetition.

Level 5: 1-3 sentences per page; strong visual cues aid understanding. Some direct speech. Lots of repetition.

Level 6: 1-4 sentences per page; strong visual cues aid understanding. Direct speech and past tense. Lots of repetition.

Level 7: One paragraph (1-5 sentences) per page; strong visual cues aid understanding. Uses direct speech and past tense. Introduces information-style texts.

Level 8: 1-2 short paragraphs; some visual cues on each page to aid understanding. Stories and informational texts included.

Level 9: 1-2 short paragraphs; more complex language structures and some visual cues to aid understanding. Varied text styles. Stories and informational texts included.

Level 10: 1-2 longer paragraphs; more complex language structures and some visual cues to aid understanding. Stories and informational texts included.

Level 11: 2-3 paragraphs per page. Limited visual cues. Stories and informational texts included.

Level 12: 2-4 paragraphs per page. Limited visual cues. Stories and informational texts included.

Levels 1 to 4: Suitable for Grade 1
Levels 5 to 8: Suitable for Grade 2

Levels 9 to 12: Suitable for Grade 3

Core resources

Readers and Big Books

- Readers are carefully levelled according to a detailed gradient.
- Real stories introduce controlled vocabulary while still following natural language patterns that are familiar to children.
- All readers are available in Big Book format for use during Shared Reading.
- Additional pre- and post-questions on the back cover encourage engagement and reading comprehension.

Sample pages taken from *Vuma English First Additional Language Reader, Our Party*.

Workbooks

- Engaging practice material for every story helps strengthen reading skills.

Teacher's Guide

A user-friendly reference that covers what you need to know, including:

- how to teach reading
- how to manage your reading programme in the CAPS environment
- planning and assessment tools
- tips, additional ideas and resources to enhance your reading lessons.

Additional resources

Alphabet Frieze

- This is a great resource to help learners recognise the sounds that correspond with the letters in the alphabet.

Instructional DVD

- Practical demonstrations of effective reading instruction, assessment and classroom management in real South African classrooms.

Audio stories

- Narrated by professional South African storytellers, the Vuma Audio CDs include all the stories within a level. This resource has been developed to help with pronunciation and intonation.

Context Cards

- Durable, double-sided flash cards allow learners to learn new words in context.

Posters

- A set of 11 full-colour posters introduces the characters and their homes. Children can learn about, and relate to the diverse South African characters and home environments in a fun way.

Stars of Africa XHO

This is an exciting reading series for learners from Grade R to Grade 7, which will expand their knowledge and increase their reading pleasure.

Course components include Story Books, Information Books, a Dictionary Activity Book and Teacher's Guides. The series is available in English and isiXhosa.

Learner material

- Story Books: These books are beautifully illustrated and set in urban and rural environments in countries all over Africa to appeal to every child.
- Information Books: These books introduce concepts, as well as content from all learning areas, and are illustrated in full colour to stimulate reading and learning.
- A personal Dictionary Activity Book allows learners to compile their own word lists for each letter of the alphabet.
- The Classroom Library offers multiple sets of the readers and copies of the Big Book versions of the readers.

Teacher support

- The Teacher's Guides show teachers how to use the **Stars of Africa** readers to cover all the requirements for English First Additional Language.
- They also provide guidelines on teaching English and assessment activities.
- The guides have been prepared in the form of a file, which enables teachers to extract photocopyable learner's worksheets with ease.

The Story Books and Information Books

Each reader belongs to one of three themes:

- **Me and my place:** The trials and triumphs of growing up, going to school and family life.
- **Numbers and wonders – the natural world:** Our world, how things work, animals and the environment.
- **Words and wings:** The power of language, rhythm, rhyme, storytelling myths and legends.

The readers are graded into four levels to help learners acquire language and concepts gradually:

- Starting for Grades R and 1
- Practising for Grades 2 and 3
- Improving for Grades 4 and 5
- Independence for Grades 6 and 7

Readers for all levels

- *Letters to Madiba*
- *What's love in your language?*

See the price list for the full range for Grades R to 3.

Teacher's resource material

- Reading in the Primary School
- Grades R and 1 Teacher's Guide
- Grades 2 and 3 Teacher's Guide
- My Dictionary Activity Book

Also available: *Platinum English Wallcharts Grades 1-3*
(see page 19)

Junior African Writers Series

High-quality supplementary readers, *Junior African Writers Series (JAWS) Starters* are beautiful, simple, interesting stories that aim to encourage children to read for pleasure.

Carefully controlled language makes reading easy. Activities are also included.

The *Junior African Writers Series* is also available in isiXhosa and isiZulu.

Level 1 Starters

- Suitable for Grade 1 children who have just begun to read on their own.
- Vocabulary and grammar are simple.
- The pictures tell the stories.

Level 2 Starters

- Aimed at Grade 2 learners, these readers include more difficult words and varied grammar.
- Direct speech is introduced.
- The pictures give a clear idea of the story.

Level 3 Starters

- These books suit readers at about Grade 3 level.
- The vocabulary used is wider and the grammar is more complicated.
- The pictures illustrate rather than tell the story.

Lindiwe sees a taxi in the road.
'Stop! Stop!' she shouts.
'There is a jersey on your roof!'

'Ouch!' says Ben.
He is pulling two jerseys off
a cactus bush.

Junior African Writers Series Level 2 Starter: Eleven Yellow Jerseys

Kagiso Readers

A colourful and beautifully illustrated, graded reading scheme for the Foundation Phase. The **Kagiso Readers** series can be used to support reading skills and as a complete literacy learning programme. It enables learners to develop literacy skills incrementally and with confidence.

Each reader uses the vocabulary that was used in the previous book in the series and adds a few new words. The series integrates reading with other aspects of language, thus developing listening, speaking, writing, thinking and reasoning skills, as well as structure and usage.

Kagiso Readers series is available in all South African languages.

- **CAPS-approved:** English Home Language, Afrikaans First Additional Language, Sesotho Home Language and IsiZulu Home Language.
- **CAPS-aligned:** IsiNdebele, IsiXhosa, Sepedi, Setswana, Siswati, Tshivenda and Xitsonga.

Components of **Kagiso Readers** series:

- **Readers** are beautifully illustrated and the stories present a range of situations and contexts authentically.
- **Big Books** enable shared reading and can be used to facilitate group reading in the classroom.
- **Reader Workbooks** include activities to give learners further reading practice to ensure that they develop essential reading skills.
- **Teacher's Guides** provide guidelines for activities, highlights learning outcomes and assessment standards for each activity and provides suggestions for continuous assessment.

Smart-Kids/Slimkoppe

Children love learning with **Smart-Kids** and **Slimkoppe**. The Grades R–3 range includes Workbooks, Skills Books, Practice Test Books and Readers.

- The series is written by experienced South African teachers.
- All the books feature fun activities that develop key skills and reinforce what is being taught in the classroom.
- The series is aligned to the current South African curriculum, and is available for English and Afrikaans Home Language, as well as English and Afrikaans First Additional Language.

A Make a mind map.
Read the information below about different fruit crops. Underline the important words in colour. Then complete the mind map.

Different types of fruit grow in different parts of the country:

Tropical fruits grow in hot, wet places. Mangoes, bananas, pineapples and avocado pears are tropical fruits.

Deciduous fruits grow well in places where there are cold winters and dry summers. Deciduous trees lose their leaves in winter. Grapes, apples, peaches and pears are examples of deciduous fruits.

Citrus fruits become ripe in the cold, winter months. Oranges, lemons and naartjies are citrus fruits.

Grades R–7 Life Skills Resources

HIV/AIDS and Life Skills resources

Junior African Writers Series

- These are health and lifestyle readers that focus on HIV and AIDS.
- The readers address appropriate knowledge, skills, values and attitudes at the heart of HIV and AIDS education, using a learner-centred approach.
- The series can be used on its own as a stand-alone HIV and AIDS programme, in health, Social Studies and Life Skills lessons, or in libraries and youth programmes outside school.

A sample spread from the *JAWS HIV/AIDS Reader: Hospital Scares Me*

Red Ribbon

Red Ribbon readers provide information and helps build the values, skills and attitudes children need to cope with HIV and AIDS by guiding healthy lifestyle choices, inspiring action and encouraging acts of compassion.

Issues facing those who are infected or affected are addressed through these topics:

- What is HIV and AIDS?
- Prevention and how to protect yourself
- Living with HIV and AIDS
- Coping with dying
- Helping children cope alone

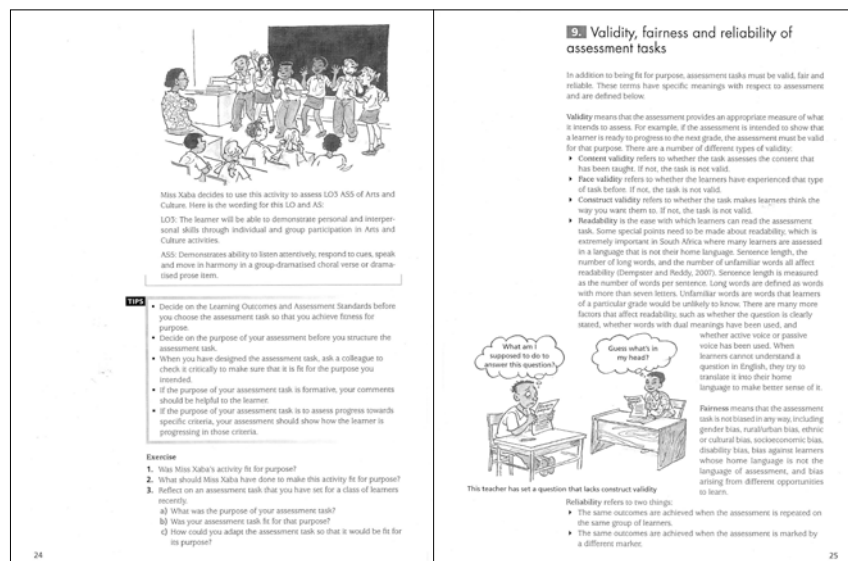

See the price list for the full range of readers.

The Teacher's Choice

- Each book is a 'how to' guide addressing topics teachers may find difficult.
- Each chapter has information about an issue related to the topic, background information, a case study to illustrate solutions to problems, practical tips for the classroom and questions for teachers to reflect on the issue and implement solutions.
- The simple structure, clear design and accessible language make the series easy for teachers to use in any school environment. In addition, the books are short, which is useful for teachers who don't have a lot of time.

The Teacher's Choice: Assessing Learners

Alternatives to Violence

- Endorsed by the Centre for the Study of Violence and Reconciliation (CSVR), this is a unique tool for teachers to guide children to develop effective communication and problem-solving skills, feelings of self-worth, hope and a vision for the future.
- The series makes it possible for teachers in classrooms to help learners resolve their differences in constructive ways, in spite of negative experiences.
- Readers provide learners with supplementary support for Life Orientation.
